Man's Best Friend

Tips and Tricks for playing with the Fleshlight

The Fleshlight is hands down (forgive the pun) the most popular men's masturbation toy on the market. Made of an incredibly lifelike material called cyberskin, the toy is what you might call the next best thing to being there. With the lid on, the Fleshlight resembles an over sized flashlight, but twist the lid off and a sumptuous pink mouth appears. The soft creamy cyberskin filling of the pliable tube is the most tantalizing fleshy texture imaginable. Just about every one of my female coworkers at Babeland has said, "if I had a penis, I would definitely want one of these!"

Here are some handy tips to get the most out of your Fleshlight ($63), or its sister toy, the Ice Lady ($67). Both products are available at babeland.com.

Wash and Warm It Up

solar vibe charging

* The Fleshlight is made up of a soft cyberskin sleeve nestled in a hard plastic casing that looks like a big flashlight (hence the name!). Unscrew the top and take the cyberskin sleeve out of the plastic holder.
* Wash with soap and hot water; this will make it nice and warm.
* Shake it to remove the excess water and put it back into the casing.

Lube It Up

* Once you've got your Fleshlight warmed up, clean, and ready to use, find a nice water-based lube, such as Babeland lube ($6). (Be sure not to use a silicone based lube; this will cause a chemical reaction and melt the Fleshlight.)
* Put some lube on your hand and rub it inside the Fleshlight (it's like finger fucking!).
* Now that your hand is covered in lube, slather your penis with lube, giving yourself a nice hand job so you are erect. If you're going to use a condom, now's a good time to put it on. (It makes for easy clean up, but it does diminish the lifelike feel of the cyberskin). The new Inspiral condoms have a great design that allows for more friction on your penis ($4.80 for a six pack).
* Keep a towel nearby to wipe the lube off your hands, or to get a better grip on the Fleshlight.

Get Down with Your Bad Self!

* Put your erect penis in the cyberskin sleeve and have at it!
* It's large so you'll need to use both hands on each side of the plastic container.
* Try holding the case in place and thrusting, or moving the toy itself back and forth over your penis.
* If you adjust the tightness of the end cap, you can create a suction that feels pleasant on your penis.
* To turn your Fleshlight into a vibrator, remove the end cap of the Fleshlight and insert a vibrator like the Sterling Vibe ($12-$15)
* Practice kissing, analingus, and cunnilingus skills on the Fleshlight or Ice Lady.
* Move with it! Try all those positions you've been dying to! Have a great orgasm!
* I've even heard from men who clamp it to their desks so they can get off hands-free while cybering on their computer.

Wash and Store

* Remove the insert and wash it with soap and water. Let it dry completely.
* Store the cyberskin sleeve in a plastic bag with cornstarch, this will prevent it from getting sticky.
* Put the sleeve back in the plastic flashlight container.

Now, didn't that feel good? Anytime you need a quick pick me up just pull out your Fleshlight, and get your party started! □

MATCH THE DOG TO THEIR LEASH

Okay, now who the fuck said what?

No! Fuck sides! What we need here is a little solidarity. Somebody's sticking a red-hot poker up our asses. I want to know whose name's on the handle. Fuck. Look, I know I'm no piece of shit, and I'm pretty sure you're OK, and I'm fucking positive you're on the level. Let's try and figure out who the bad guy is, all right?

Enough! Enough! You better start talking, asshole, 'cause we got shit we need to talk about. We're already freaked out. We need you acting freaky like we need a fucking bag on our hip.

Yeah, bam, bam, bam, bam, bam. I told them not to touch the fucking alarm, they did. If they hadn't done what I told them not to do, they'd still be alive.

Larry, we have been friends, and you respect my dad and I respect you, but I will put fucking bullets right through your heart. You put that fucking gun down - now.

You guys like to tell jokes and giggle and kid around, huh? Giggling like a bunch of young broads in the schoolyard. Well, let me tell a joke. Five guys sitting in a bullpen, San Quentin, wondering how the fuck they got there. "What did we do wrong?" "What should've we done?" "What didn't we do?" "Whatdabbada..." "It's your fault, my fault, his fault." All that bullshit. Finally someone's comes up with the idea—"Wait a minute. While we were planning this caper, all we did was sit around and tell fucking jokes." Got the message?

It hurts. It hurts her. It shouldn't hurt her. Her pussy should be bubbleyum by now, but when this cat fucks her, it hurts. It hurts just like it did the first time. You see, the pain is reminding a fuck machine what it was like to be a virgin. Hence: Like a Virgin.

Don't pussy out on me now. They don't know. They don't know shit. You're not going to get hurt. You're fucking baretta. They believe every fucking word 'cause you're super cool.

It was the last night of my Amsterdam business trip, and I was determined not to leave without a little trip to the "red-light district".
